

Industrial Cummins Diesel Generator Set Water Cooled

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Installation: Easy
- Brand: Cummins
- Efficiency: High
- Cooling System: Water Cooled
- Starting System: Electric Start
- Warranty: 1 Year
- Noise Level: Low
- Control System: Automatic Control
- Highlight: **Industrial Cummins Diesel Generator Set, Electric Start Cummins Diesel Generator, Water Cooled Cummins Generator Set**

Product Description:

Cummins Diesel Generator Set is one of the best generators on the market for reliability and performance. It is highly efficient in terms of fuel consumption, providing excellent power output with low noise levels. Its installation is easy and it is equipped with an automatic control system, allowing for a swift start-up. Its frequency is 50/60 Hz, and its brand is Cummins. Cummins Diesel Generator Set is the perfect solution for any power needs, offering high performance and reliability.

Features:

Product Name: Cummins Diesel Generator

Noise Level: Low

Warranty: 1 Year

Starting System: Electric Start

Brand: Cummins

Cooling System: Water Cooled

Technical Parameters:

Attribute	Value
Control System	Automatic Control
Installation	Easy
Efficiency	High
Operation Mode	Automatic/Manual
Noise Level	Low
Brand	Cummins
Starting System	Electric Start
Cooling System	Water Cooled
Frequency	50/60 Hz
Type	Diesel Generator

Applications:

Cummins Diesel Generator Set is a high-quality, reliable and efficient power solution for the commercial and industrial market. The Minlong brand Cummins diesel genset is made in China and is certified by ISO 9001. The minimum order quantity is 1 piece and the price is negotiable.
