

Low Noise marine Cummins Diesel Generator 1500 RPM 1800 RPM

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Efficiency: High
- Installation: Easy
- Type: Diesel Generator
- Cooling System: Water Cooled
- Fuel: Diesel
- Operation Mode: Automatic/Manual
- Warranty: 1 Year
- Frequency: 50/60 Hz
- Highlight: **Low Noise Cummins Diesel Generator, Cummins Diesel Generator 1800 RPM, 60 Hz cummins marine generator**

Product Description

Product Description:

Cummins Diesel Generator Sets are renowned for their reliability, high efficiency, and easy installation. The Cummins Diesel Genset offers a wide range of features including operating at both 1500 and 1800 RPM, a frequency of 50/60 Hz, and a high efficiency rate. It is suitable for a variety of applications and provides a reliable, cost-effective power generation solution. The Cummins Diesel Genset is designed and built to meet the highest quality standards and provide reliable, cost-effective power generation for years to come. When you need reliable power, you can count on Cummins Diesel Genset.

Features:

Product Name: **Cummins Diesel Generator**

Brand: **Cummins**

Installation: **Easy**

Speed: **1500/1800 RPM**

Fuel: **Diesel**

Starting System: **Electric Start**
