

Household Diesel Generator Equipment 3 Phase 50Hz 60Hz

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Voltage: 400V/230V
- Noise Level: Low
- Phase: 3 Phase
- Power: 20-1000kW
- Speed: 1500rpm/1800rpm
- Warranty: 1 Year
- Efficiency: High
- Highlight: **Diesel Generator Equipment,
50Hz Diesel Generator,
60Hz household diesel generators**

Product Description

Product Description:

The Diesel Generator is a reliable and powerful generator that is designed to be fuel efficient and environmentally friendly. This generator is suitable for various applications, ranging from home electricity to industrial applications. It features a fuel-efficient diesel engine and is available in different voltage outputs, including 400V/230V. It also includes an electric start system, so you can be sure of a quick and easy start-up. With a one-year warranty, the Diesel Generator is a reliable, durable and cost-effective investment for any generator needs. It is designed to provide reliable power with low maintenance costs. Diesel Generating Equipment is the perfect choice for any application and is sure to provide reliable and efficient powering for years to come.

Features:

Product Name: Diesel Generator
Phase: 3 Phase
Fuel: Diesel
Voltage: 400V/230V
Warranty: 1 Year
Power: 20-1000kW
Diesel Generating Equipment
Diesel Generating Equipment
Diesel Generator

Technical Parameters:

Product Name	Diesel Generator
Starting System	Electric Start
Phase	3 Phase
Frequency	50Hz/60Hz
Efficiency	High
Power	20-1000kW
Fuel	Diesel
Warranty	1 Year
Voltage	400V/230V
Speed	1500rpm/1800rpm

Applications:

Diesel Generator is a reliable and high-efficient diesel generating equipment specifically designed for China market. It is certified by ISO9001, which makes it the ideal choice for customers who prioritize quality. This generator set is equipped with electric start system, ensuring easy and quick start up. It is suitable for both 50Hz and 60Hz frequency, and offers excellent performance with high efficiency. Customers are able to order a minimum of one piece with price negotiable. The packaging details include wood case, and the delivery time is 10-15 days. We accept payment terms such as L/C, D/A, D/P, T/T, Western Union, MoneyGram. With the capacity of producing 1000 pieces per week, we are able to meet your demands with timely delivery. Moreover, we provide 1 year of warranty with our Diesel Generator set.

Support and Services:

Diesel Generator Technical Support and Service

Diesel Generators is committed to providing the highest quality technical support and service to our customers. We provide a range of services to ensure our customers have the best experience with their generator.

On-site service and maintenance

24/7 phone support

Free technical advice

Regular check-ups and safety inspections

Repairs and parts replacement

Warranty and extended service plans

If you have any questions or need assistance with your Diesel Generator, please contact us.

Packing and Shipping:

Packaging and Shipping for Diesel Generator

Diesel Generator is securely packaged in a sealed box which is designed to protect the generator from harsh external conditions. The box is filled with foam to provide additional cushioning and help to maintain the generator in its original condition during the shipping process.

We partner with reliable shipping companies to ensure safe and secure delivery of the Diesel Generator. The delivery timeframe will vary depending on the destination and the particular shipping company being used.

FAQ:

Q: What is the brand of Diesel Generator?

A: The brand is .

Q: Where is Diesel Generator made?

A: Diesel Generator is made in China.

Q: What certification does Diesel Generator have?

A: Diesel Generator has been certified with ISO9001.

Q: What is the minimum order quantity of Diesel Generator?

A: The minimum order quantity of Diesel Generator is 1.

Q: What is the price for Diesel Generator?

A: The price for Diesel Generator is negotiable.
