

150KW R6108IZLD Electric Start Ricardo Diesel Generator Wooden Case Packing

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Ricardo
- Certification: ISO9001, ISO14001, CE
- Model Number: R6108IZLD
- Minimum Order Quantity: 1 Set
- Price: 3880USD
- Packaging Details: Please consult customer service.
- Delivery Time: About 30-50 days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 100 Set/Month

Product Specification

- Product: Diesel Generator
- Starting System: Electric Start
- Canopy: Customized
- Package: Wooden Case Packing
- Frequency: 50Hz
- Rated Frequency: 50HZ/60HZ
- Engine: Ricardo R6108IZLD
- Excitation Type: Brushless Self-excitation
- Highlight: **Electric Start Ricardo Diesel Generator ,
R6108IZLD Ricardo Diesel Generator**

Product Description

Product Description:

150KW R6108IZLD Electric Start Ricardo Diesel Generator Wooden Case Packing

Ricardo Diesel Generator

The Ricardo Diesel Generator is a reliable and efficient power solution for both standby and continuous power needs. Designed with the latest technology and high-quality components, this generator is built to provide long-lasting and uninterrupted power supply. With the powerful Ricardo N4105DS engine, it can deliver exceptional performance in any situation.

Engine

The heart of the Ricardo Diesel Generator is the N4105DS engine, which is known for its durability and high performance. This 4-cylinder, water-cooled engine is specifically designed for heavy-duty use and can withstand extreme weather conditions. With its advanced design and low fuel consumption, it ensures maximum efficiency and cost-effectiveness.

Noise Level

The Ricardo Diesel Generator is designed to operate quietly with a noise level of $\leq 70\text{dB(A)}$. This makes it suitable for use in residential areas, hospitals, and other noise-sensitive locations. The noise reduction technology used in this generator ensures a peaceful and comfortable environment for both the users and the surrounding community.

Output Type

The Ricardo Diesel Generator offers both single and three-phase output options, making it suitable for a wide range of applications. The single-phase output is ideal for residential and small business use, while the three-phase output is more suitable for industrial and commercial purposes. This flexibility makes it a versatile and adaptable power solution.

Excitation Type

The Ricardo Diesel Generator features a brushless self-excitation system, which eliminates the need for a separate excitation source. This not only simplifies the generator's structure but also ensures stable and reliable voltage output. With this excitation type, the generator can handle sudden changes in load and maintain a steady power supply.

Product Options

The Ricardo Diesel Generator is available in two main options – Standby and Continuous Power. The Standby Generator is designed for emergency power needs and can automatically start when the main power source fails. On the other hand, the Continuous Power Generator is suitable for long-term power needs and can operate for extended periods without interruption. Both options offer reliable and efficient power supply, making them ideal for various applications.

Diesel Generator Benefits

With the Ricardo Diesel Generator, you can enjoy the following benefits:

[Reliable and uninterrupted power supply](#)

[High-quality and durable components](#)

[Low noise operation](#)

[Versatile output options](#)

[Stable voltage output](#)

[Low fuel consumption and cost-effectiveness](#)

[Easy maintenance](#)

[Automatic start and stop for standby option](#)

[Long-term continuous power option](#)

Overall, the Ricardo Diesel Standby Generator, Ricardo Diesel Continuous Power Generator, and Ricardo Diesel Electricity Generator are all reliable and efficient power solutions that can meet your specific power needs. With its advanced technology and superior performance, it is a top choice for both residential and commercial use.

Features:

[Ricardo Diesel Electricity Generator](#)

[Ricardo Diesel Continuous Power Generator](#)

[Ricardo Diesel Emergency Generator](#)

[50Hz Frequency](#)

[Output Type: AC Single/Three Phase](#)

[Customized Canopy](#)

[Engine: Ricardo N4105DS](#)

[Rated Frequency: 50HZ/60HZ](#)

Technical Parameters:

Ricardo Diesel Generator Technical Parameters	
Product	Ricardo Diesel Emergency Generator
Engine	Ricardo N4105DS
Package	Wooden Case Packing
Frequency	50Hz
Starting System	Electric Start
Noise Level	$\leq 70\text{dB(A)}$

Excitation Type	Brushless Self-excitation
Canopy	Customized
Output Type	AC Single/Three Phase
Rated Frequency	50HZ/60HZ
Product	Ricardo Diesel Industrial Generator
Engine	Ricardo N4105DS
Package	Wooden Case Packing
Frequency	50Hz
Starting System	Electric Start
Noise Level	≤ 70dB(A)
Excitation Type	Brushless Self-excitation
Canopy	Customized
Output Type	AC Single/Three Phase
Rated Frequency	50HZ/60HZ
Product	Ricardo Diesel Electricity Generator
Engine	Ricardo N4105DS
Package	Wooden Case Packing
Frequency	50Hz
Starting System	Electric Start
Noise Level	≤ 70dB(A)
Excitation Type	Brushless Self-excitation
Canopy	Customized
Output Type	AC Single/Three Phase
Rated Frequency	50HZ/60HZ

Applications:

Ricardo Diesel Generator

Product Description

Brand Name:Ricardo

Place of Origin:China

Certification:ISO9001, ISO14001, CE

Minimum Order Quantity:1 Set

Packaging Details:Please consult customer service.

Delivery Time:About 30-50 days

Payment Terms:L/C, T/T, Western Union, MoneyGram

Supply Ability:100 Set/Month

Rated Frequency:50HZ/60HZ

Package:Wooden Case Packing

Excitation Type:Brushless Self-excitation

Frequency:50Hz

Canopy:Customized

To order, please contact our customer service for more details.

Packaging Details: Please consult customer service.

Delivery Time: About 30-50 days

Payment Terms: L/C, T/T, Western Union, MoneyGram

Supply Ability: 100 Set/Month

Frequency: 50Hz

Output Type: AC Single/Three Phase

Starting System: Electric Start

Product: Diesel Generator

Canopy: Customized

Key Words:

Ricardo Diesel Emergency Generator, Ricardo Diesel Commercial Generator, Ricardo Diesel Power Generator, Ricardo Diesel Backup Generator

Packing and Shipping:

Ricardo Diesel Generator Packaging and Shipping

The Ricardo Diesel Generator is a high-quality and reliable power source that is designed to provide efficient and continuous power supply. To ensure that our product reaches you in perfect condition and ready for use, we take great care in packaging and shipping.

Packaging

Our generators are packed in sturdy and durable wooden crates to protect them from any damage during transportation. The crates are also designed to withstand different weather conditions, ensuring that the generator remains safe and secure throughout its journey.

Each generator is carefully wrapped in a protective layer of bubble wrap and then placed in the crate. This provides an additional layer of protection against any impact or vibration during transportation.

Our packaging also includes a user manual, warranty card, and all necessary accessories for installation and operation. These items are securely placed inside the crate to ensure they reach you safely.

Shipping

We offer worldwide shipping for our Ricardo Diesel Generators. We have a dedicated team that works closely with reliable shipping partners to ensure timely and safe delivery of our products.

Depending on your location and preference, we offer both sea and air freight options. Our team will provide you with all the necessary shipping documents and tracking information to keep you updated on the status of your order.

For international shipping, we take extra precautions to comply with all customs regulations and ensure a smooth delivery process.

Upon arrival, our generators are carefully unloaded and delivered to your designated location. Our team will also assist with the installation and setup of the generator, ensuring that it is ready for use.

Conclusion

At Ricardo Diesel Generator, we understand the importance of reliable packaging and shipping. We strive to provide our customers with the best experience by ensuring that our products are delivered to you in perfect condition and on time.

For any questions or concerns regarding packaging and shipping, please don't hesitate to contact our customer service team.

We are always happy to assist you with any queries you may have.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is Ricardo.

Q: Where is this product manufactured?

A: This product is manufactured in China.

Q: What certifications does this product have?

A: This product has been certified with ISO9001, ISO14001, and CE.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity for this product is 1 set.

Q: How is the product packaged?

A: Please consult our customer service for more information on packaging details.

Q: What is the delivery time for this product?

A: The delivery time for this product is approximately 30-50 days.

Q: What are the accepted payment methods for this product?

A: We accept L/C, T/T, Western Union, and MoneyGram as payment methods for this product.

Q: What is the supply ability for this product?

A: The supply ability for this product is 100 sets per month.
